

## IN BRIEF

This is the tour for those teams looking to travel somewhere completely off the track & visit three incredible cities they'd unlikely do otherwise. Each city offers exceptional value for money once you're in town, the architecture is bettered only by the nightlife & there is enough competitive Rugby by around to make it a worthy choice for your next Rugby Tour. Starting in Prague, a city which has rivalled Dublin and Amsterdam as the new 'capital city' of Rugby Tours for British teams in recent years, you'll get your biggest on-field test. Bratislava, the quietest of the three is a superbly beautiful mid-tour stop while Budapest is a city which blows expectation out of the water. For a slight variation, we'd add Berlin at the start of the tour.
