

PORTUGAL

IN BRIEF

We all have friends who have been everywhere & done everything. Well, this is for them. Portugal flirted with the top table of European Rugby in both 7's and 15's in the 'noughties,' but both have fallen away through a sad tale of mis-management and dwindling playing numbers.

This itinerary shows off the very best of the country & we must stress, there remains some more than competitive opposition to keep you honest whilst on tour. A superb warm-weather, off the track alternative to the more well-trodden locations over the border. It must be said that Lisbon is amazing.
