INTRODUCING: NEWCASTLE

We thoroughly believe that on the eighth day, the Good Lord put an axis into the ground in Newcastle City Centre and declared that the World shall revolve around this magnificent place for eternity. We may be slightly biased about our fantastic home city, but show me a person who leaves here disappointed and we'll admit defeat.

Newcastle possesses a vibrant atmosphere like no other. Whether it be by day on the bustling hives of Northumberland Street and Grey Street, or at night on the World Class Quayside or eyebrow raising Bigg Market.

There is, it must be said, a lot more to Newcastle than The Toon Army and Geordie Shore!

The people of Newcastle are exceptionally friendly, welcoming and hospitable. The Rugby Clubs up here are of a tight-knit nature and welcome anyone daring to make the journey to this 'quieter' part of the UK!

Situated on the River Tyne's north bank, the city boasts a 2,000-year-old history and is filled with the most classical listed buildings in the UK.

The city's origins as a Roman town are still evident in Hadrian's Wall, whose ruins can be seen stretching eastwards to Wallsend. Along the route of the famous Wall, you will find the stunning Northumbrian countryside.

Being based near the city, our knowledge and experience in arranging tours up here goes directly into the plans for your tour. We excel at giving you those little pieces of information and assistance that you wouldn't otherwise find.

Rugby has been thriving up here for years. Newcastle Falcons are the marque name in the North East. Playing in the Gallagher Premiership, enjoy behind the scenes experiences with the players at the top end of the game. The City hosted World Cup games at SJP in 2015, the European Finals weekend in 2019 & nearby Sunderland kicks off Rugby World Cup in 2025, all putting our corner of the Rugby World on the Map, we cannot wait to show you and your team mates what the game is like up here.

We're also pretty sure that away from game-time, you'll have a hell of a weekend whether it be in some of the old-fashioned pubs, edgy bars & superb restaurants. Haway up hinny, yer in for a belta.

St James' Park Stadium sits on the Newcastle skyline and has hosted several top flight International & Club Rugby Union fixtures in recent years.

Australian Raptors Rugby Academy in action at Kingston Park Stadium.

You know you're home when you see the Angel on the A1 Motorway.

TOP FIVE: NEWCASTLE

- Play Your Tour Games at Kingston Park Stadium, home of Newcastle Falcons.
- Match Tickets & Rugby Experiences with Newcastle Falcons
- Surf Lessons on the North Sea Coastline at Tynemouth Longsands Beach.
- Mario Kart Style Go-Karting activity at the brand new BattleKart Newcastle
- Our unprecedented local knowledge and insider info.

OUR GUIDE TO RWC 2025 OPENING WEEKEND

Get ready for an unforgettable experience as Sunderland's iconic Stadium of Light takes centre stage to kick off the Women's Rugby World Cup 2025 this August! The tournament's opening fixture will see hosts England face off against the USA in what promises to be a thrilling start to this global event.

But the excitement doesn't end at the final whistle. The North East is preparing to roll out the red carpet for rugby fans from across the globe. As the gateway to the stunning North East of England and beyond, this is where we come in.

The North East is more than just a matchday destination. Situated on England's most picturesque coastline, it offers a mix of urban excitement, coastal charm, and rural adventure. Whether you're soaking up the atmosphere in the city or heading out to explore the surrounding areas, there's something for everyone.

Just a short journey from Sunderland, Newcastle is a bustling city famous for its friendly locals, lively nightlife, and rich cultural scene. We have fantastic accommodation options in the city to suit every preference. Choose from the budget-friendly Kabannas Hostel, the excellent Hampton by Hilton in the city centre, or the great-value 4-star Gosforth Park Hotel with leisure facilities.

For those seeking a quieter escape, the rolling hills and historic landmarks of Northumberland provide a stunning backdrop. Dive into the region's history by visiting iconic sites like Durham Cathedral, Hadrian's Wall, or Alnwick Castle, famously known as Hogwarts Castle from the Harry Potter films.

Rugby teams won't want to miss the additional tournaments happening in the region across the weekend, including events for women's and girls' teams. Whether you're here to watch, play, or simply soak up the camaraderie, the North East's thriving rugby community is ready to welcome you with open arms.

As the most northern host city in the tournament, the North East is a beacon for rugby lovers and newcomers alike. England Captain and World Rugby Player of the Year 2021, Zoe Aldcroft, sums it up perfectly: "We're super excited for more rugby-loving fans to experience international rugby in the North of England, and we're also relishing the chance to meet new fans of the sport."

From the electrifying atmosphere of the opening game to the countless opportunities for exploration and adventure, the North East of England is the perfect destination for rugby enthusiasts and tourists alike. Pack your bags, embrace the spirit of the game, and let the North East captivate you this summer!
